Technical data

Connection: G 1 1/2

Input pressure P1 max.: 25 bar

Temperature area: -10 °C - +60 °C

Pressure gauge: no

Construction size: BG7

Medium: Compressed air, neutral gases

Continuous P supply: no

Panel nut: no

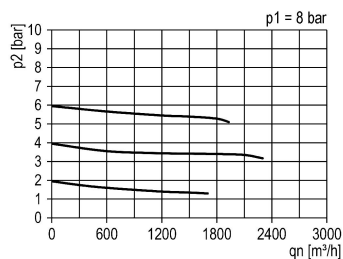

Flow: 31500 l/min

Control range P2 max.: 16 bar

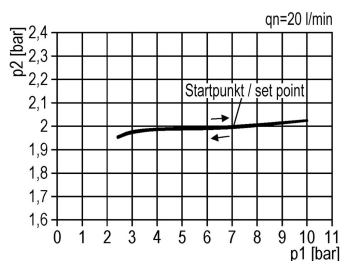

I-Controlled: no

gauge port: 2x1/4
