Technical data

Connection: G1 1/2

Input pressure P1 max.: 25 bar

Temperature area: -10 °C - +80 °C

Pressure gauge: no

Construction size: BG8

Medium: Compressed air, neutral gases

Continuous P supply: no

Panel nut: no

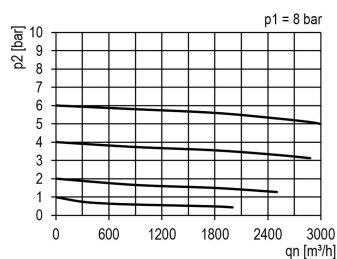

Flow: 50000 l/min

Control range P2 max.: 16 bar

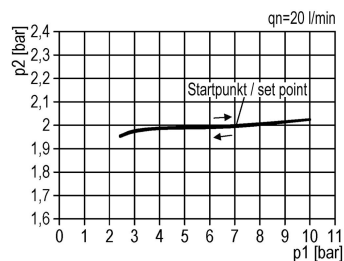

I-Controlled: yes

gauge port: 2x1/4
